ABOUT ME

Creative digital professional with expertise in product advertisement, image and video editing, and innovative graphic design. Skilled in crafting impactful ads, designing custom visuals—including business cards and creative car designs—and leveraging modern tools to deliver unique digital solutions.

EXPERIENCE

Freeelancer (2024-2025)

Fiverr/ Upwork/ People per hour

Lorem ipsum dolor sit amet, consectetur adipiscing elit. Fusce consequat orci a quam porta accumsan. Sed lobortis ut enim in fringilla. Sed quam nunc, pellentesque non arcu eget, sagittis sodales arcu. Vestibulum aliquet lorem id dolor tincidunt, sed blandit nisi venenatis. Vivamus porta sed dolor sit amet consequat. Sed tempus neque sollicitudin, commodo enim non, accumsan magna.

Canva Designer (2024-2025)

SMIT (Saylani Mass IT)

I am a creative Canva Designer with complete expertise in Canva designing. I can design professional business cards, all types of card layouts, product and shirt advertisements, as well as engaging images and videos. I am also skilled in developing resumes that stand out. My design skills allow me to create unique, eye-catching, and professional branding and presentations for any purpose.

AI Tools (2025-2025))

Bano Qabil (2.0)

I have expertise in using various AI Tools for creating engaging visuals, professional designs, and impactful content. I also have experience with Pictory (Pik-60), which helps me generate high-quality videos. These skills allow me to deliver unique and efficient results for any creative or business project.
